Experience required adaptations of guidelines or precedents to meet the needs of the assignment. Experience preparing documentation on cost/benefit studies where is involved summarizing the material and organizing it in a logical fashion. Experience in managing the function of the work to be performed. Experience which includes leading, directing and assigning work of personnel.

EDUCATION AND CERTIFICATION REQUIREMENTS:

Education: All academic degrees and coursework must be from accredited or pre-accredited institutions

Undergraduate or Graduate Education: Degree in computer science, engineering, information science, information systems management, mathematics, operations research, statistics, or technology management **or** degree that provided a minimum of 24 semester hours in one or more of the fields identified above and required the development or adaptation of applications, systems or networks.

CONDITIONS OF EMPLOYMENT:

Applicants must have the following:

1. Must obtain and maintain a SECRET clearance level.
2. Incumbent must complete appropriate training and obtain required certifications IAW DoDI 8140 or DOD 8570.01M or applicable governing document(s) for Cyber workforce as an IA Technician Level within 9 months of employment pending training seat availability .
3. Position is designated as PR-VAM-001 within the Defense Cybersecurity Workforce as guided by NIST SP 800-181; National Initiative for Cybersecurity Education, Cybersecurity Workforce Framework. Which establishes the Tasks, Skills, Knowledge and Abilities expected of this position. (<https://www.nist.gov/itl/applied-cybersecurity/nice/nice-framework-resource-center>).
4. Irregular and/or overtime (compensatory) hours may be required to support operational requirements or contingencies or may be required to work hours outside of the normal duty day.
5. This position is designated as Essential Personnel and may be subject to duty in preparation for, or in response to, a state emergency or disaster declaration. Head of Agency requests to exceed 14 days in a calendar year must be approved in advance by the National Guard, Director of Manpower and Personnel (NGB-J1).

District of Columbia National Guard

Announcement Number: DC-AHA-AR-26-024

Position: IT CYBERSECURITY SPECIALIST (INFOSEC) - Indef

Position Description:

- (1) Conducts audits of information systems compliance, to include network devices; servers; and end user devices, related to security standards, guides and application updates to enable and ensure accreditation of all systems IAW with all command, Army, and DOD security directives, policies and procedures. Ensures that all elements are in compliance with guidance concerning accreditation of automated information systems, risk management, control of computer viruses, and other similar issues.
- (2) Reviews Army Training and Certification Tracking System, approves new user accounts, and conducts ongoing audits to ensure all privileged and user accounts comply with Army Standards.
- (3) Conducts investigation of security incidents, reports findings to leadership and remediates findings based on guidance from the cybersecurity service provider and IAW with all command, Army, and DOD security directives, policies and procedures to include computer viruses and sanitation of highly classified information from organization.
- (4) Reviews submissions to Change Configuration Board, or other bodies proposing changes, to network or information systems and applications and makes recommendations to senior cybersecurity team lead.
- (5) Maintains an operational knowledge base of past, current and possible future threats to the security posture by attending courses, conferences, seminars, online research, and information sharing between other Cybersecurity/Information Assurance professionals. Must anticipate the effects of new emerging technology and develop policies to control it to prevent security violations. Makes recommendations regarding policies and/or procedures to prevent or react to security concerns.
- (6) Performs other duties as assigned.
