District of Columbia National Guard

Announcement Number: DC-AHA-AR-24-008

Position: ELECTRONICS MECHANIC

Position Description:

1. Plans and lays out work to be accomplished in the shop which is then completed by the technician and lower graded mechanic(s). Determines approaches, methods and courses of action required to accomplish the mission of the shop in an effective and efficient manner. Independently determines appropriate maintenance procedures. Estimates time, equipment, and material requirements. Devises and maintains plans and records. May provide recommendations and input to supervisor concerning personnel actions such as performance appraisals, awards, position description changes, disciplinary actions, and leave.
2. Performs the full range of shop work.
3. Implements safety regulatory requirements. Ensures that other workers in the shop wear appropriate safety equipment and follow pertinent safety precautions.
4. Prepares for and participates in various types of readiness evaluations, inspections, mobilization, and command support exercises. May be required to perform additional duties such as structural firefighting, aircraft fire/crash/rescue duty, security guard, snow removal, munitions loading and handling, heavy equipment operation, maintenance of facilities and equipment, or serve as a member of a team to cope with natural disasters or civil emergencies.
5. Performs other duties as assigned.

WORKING CONDITIONS:

Working conditions are the same as for other mechanic(s) in the shop.

PHYSICAL EFFORT:

Physical effort is the same as that required for other mechanic(s) in the shop.
